

**LOGAN COUNTY PUBLIC SCHOOLS**

**Student T-Code Verification**

The Logan County Board of Education updates student transportation records on a semi-annual basis. We request the parent/guardian complete this form for each student and return it to the student's teacher or school office. If not completed by the student and/or parents, then a school official (teacher, attendance clerk, guidance counselor) may interview the student and complete the form. Information must be verified semi-annually and entered into Infinite Campus® for each student.
