## VENDOR BID REGISTRATION

Vendors:

Our records indicate you are registered to receive “Invitation to Bids” from Mobile County Public School System. The Mobile County School System is changing the way vendors are notified for Invitation to Bids. Currently, we are sending post card notifications by US Mail to all vendors who are registered.

The NEW NOTIFICATION PROCESS will begin and consist of the vendor receiving an email notification of Invitation to Bids. A web site has been established for vendors to register and select the bid categories from which they want to receive bid invitations. These are the steps you need to take:

1. Go to <https://bidreg.mcpss.com/ezregistration.html>
2. Select “New Applicant” and you will create a user name and password, and then follow the prompts.
3. Please note the email bid notifications will be sent from [bidnotify@mcpss.com](mailto:bidnotify@mcpss.com) save this in your address directory to prevent email being sent to SPAM.

Even though vendors are currently registered to receive bids, all vendors MUST register in the new database in order to receive an ITB “Invitation to Bid” . If you do not register, you will not receive an ITB. Also, all vendors are responsible for maintaining their vendor profile in the database for such things as address, contact info, email, bid categories, etc..... This information needs to stay current to assure you receive ITB’s. I would strongly encourage vendors to visit MCPSS.com once a week to be knowledgeable of all bid activity.

Thank you for your cooperation as this will allow us to drastically reduce postage costs and work more efficiently. Please feel free to contact us if you have questions at 251-221-4473.

# Mobile County School Board Accounts Payable Department

## What is a Virtual Credit Card?

The District has adopted the use of a VISA Virtual Credit Card powered by AOC/Regions Bank. AOC receives invoice and purchase order details from Accounts Payable and assigns a one-time use credit card number.

The VISA Virtual Credit Card allows the District to pay vendors via a credit card and turn around a vendor payment in a shorter time frame than the current paper check you now receive.

## How Does Virtual Credit Card Work?

- After goods are delivered and/or services rendered, vendors submit invoices to the Account Payable Department according to the current process.
- When Accounts Payable has authorization of a match (purchase order and invoice) and the invoice(s) are due for payment according to your current payment terms with the District the payment process begins.
- The vendor then receives an email notification of the payment from the District
- The vendor then logs into a secure site from the email received and puts in the assigned PIN number. Each payment notification will include the card number, expiration date, security code, payment amount and invoice and/or PO numbers.
- Once the vendor receives the email, the credit card has been authorized to be charged for the amount listed in the email. When the vendor charges the card as authorized in the email, the virtual card will no longer be available for charges. When the next payment is provided the vendor will receive a new card number, security code and expiration date with invoice amount and/or PO number.

## What are the Benefits to using the VISA Virtual Card?

- Receive payments 7 -10 days sooner; resulting in a quicker cash flow for day to day operations or investments.
- Reduce the cost of paper processing and employee time spent on preparing and making bank deposits.
- Void the risk of lost or stolen checks
- Quickly reduce outstanding accounts receivable balances.

## How do I Participate in the VISA Virtual Card Program?

Simply contact the Mobile County School Board Accounts Payable Department at (251)221-4437 and request to be enrolled in the VISA Virtual Card Program through AOC/Regions Bank.

## **INSTRUCTIONS FOR CERTIFICATION**

1. By signing and submitting this form, the prospective primary participant is providing the certification set out on the reverse side in accordance with these instructions.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out on this form. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the department or agency to whom this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reasons of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction", "participant," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
6. The prospective primary participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.
7. The prospective primary participant further agrees by submitting this form that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
