ADDENDUM #5
RE-BID JANITORIAL SUPPLIES
AS NEEDED UNTIL JANUARY 31, 2019

Please note the following:

Bid opening date and time is changed to Thursday, April 12, 2018 @ 2:00P.M.

1. Change estimated usage on item #7 - Estimated Usage Pricing Sheets (Page 1 of 25)
From: 480,456,000 **To read:** 40,038,000

2. In Paragraph XIII –C. Dispenser, Foam Hand Soap add the following statement.

Add:

If bidding a brand other than Betco, the successful bidder shall furnish and install all new foam hand soap dispensers as required at each location at no additional cost to the district. The Betco dispensers that are currently in the schools will not accept another manufacturer's soap. (Note: We have several thousand dispensers throughout our system). The Dispensers are not universal.

For Clarification:

3. Dispenser Chemicals and Floor Stripper
In determining the true cost, MCPSS will evaluate all of the diluted ratios, cost listed in bid response, and whatever else is needed to determine the lowest responsible bidder. We will look closely to determine the diluted gallons in order to award in the best interest of the school district.
4. Only one (1) manufacturer will be selected for the Dispenser Chemicals. In the previous bid, there was confusion about the method of award due to a bidder's response contained multiple alternate (manufacturers). Each submittal will be evaluated, but only one (1) manufacturer will be accepted.

The mission of Mobile County Public Schools is to graduate prepared and productive citizens.
