

19-02 RFP - ONLINE SAFETY TRAINING PROGRAM QUESTIONS & ANSWERS

1/22/19

1. Are you looking for files to upload to a current Learning Management System or are you looking for someone to host the courses?
Yes, both to upload to a current Learning Management System and for someone to host the courses.
2. Are you looking for the courses to be geared towards the school environment or more general safety?
K-12 School System Environment preferred.
3. How long with the initial contract period be?
The initial contract period is 1 year with an option to renew the contact for two additional one- year terms.
4. We are a privately held company, can you ensure that the financials will be redacted when posted so competitors cannot see that information?
We will not disclose your financials to any other vendors.
5. Disclosure Statement: Is this just related to Alabama or other states that we might have state contracts with?
Yes, The Alabama State Law require that we include the Vendor Disclosure State be included with all bid and proposals in excess of 5,000.
6. Immigration Compliance Document - I cannot find this on your website anywhere. Do you have a copy? The link in the RFP goes to a page that cannot be found.
The Immigration Document is attached to addendum #1.
