FUN FACT: Apart from providing energy, BREAKFAST foods are good sources of important nutrients such as calcium, iron and B vitamins as well as protein and fibre.

The body needs these essential nutrients and research shows that if they are missed at BREAKFAST, they are less likely to be compensated for later in the day.

In accordance with Federal Civil Rights laws and U.S. Department of Agriculture (USDA) Civil Right regulations and policies, the USDA, its agencies, and offices and employees and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident. THIS INSTITUTION IS AN EQUAL OPPORTUNITY PROVIDER.
