## Eligibility and Application Process

- The State Superintendent issued a memo concerning the availability of the Summer Food Service Program (SFSP) which can be viewed [here](#).
- The SFSP is designed to fill the nutritional gap during extended school breaks and summer months when school is out of session.
- For more information about SFSP eligibility and the application process, please contact [Tina Skinner](#) at (317) 232-0858.

## Qualifying for USDA Foods

- If you are applying for the Summer Food Service Program (SFSP) and want to apply for SFSP USDA Foods (commodities), information about this opportunity was sent via email the week of March 12.
- To qualify for SFSP USDA Foods, you must be approved for SFSP and your program's meals cannot be catered or vended.
- For more information about SFSP, contact [Tina Skinner](#), SFSP Specialist.
- For information about SFSP USDA Foods, contact [Cheryl Moore](#), FDP Specialist.

## Annual Notification of Summer Meals:

- All schools participating in USDA School Nutrition Programs must meet the regulatory requirement of providing annual notification to all households regarding the availability of summer meals.
- Whether a local school corporation participates in USDA summer meal programs through the Summer Food Service Program, Seamless Summer, regular school meals through the National School Lunch Program, or doesn't participate in any formal summer meal service, the obligation to inform households where to find meals is required.
- Annual notification can be through website announcement, email, flyer, or robocall, but all documentation showing this annual requirement is met must be retained with your school nutrition program records.
- Everyone 18 and younger eats for free without providing any individual eligibility information at all open sites. On or after June 1, all Indiana sites approved to serve meals can be found:
  - On the [SFSP parent page](#)
  - By texting "Summer Meals" to 97779
  - Or texting "Food" or "Comida" to 877-877
  - By calling 211
- Keep your students well-nourished during the summer months so that they are ready to learn again in the fall. If interested in participating in Summer Food Service Program, contact your field specialist or [Tina Skinner](#) at (317) 232-0858.

## Civil Rights Reminders:
