Cafeteria End Of Year Charging Policy

As we are approaching the end of the school year, per state regulations, the cafeteria is not allowed to end the school year with any negative student balances.

Starting May 14, students will not be allowed to make any purchase without having available funds to cover their purchase. The cafeteria must also collect any negative funds before May 31.

If your child does not have funds available, an alternate meal will be provided.

Thank you for your cooperation in this matter.

Lori Sikora
Food Service Director
219-585-2026

"This institution is an equal opportunity provider".
