

Macon County School System 2016-17 County Wide In-Service Schedule

**Wednesday, August 3, 2016
Macon County High School**

7:15 – 7:50 *Macon County Education Association Meeting – Auditorium*
This session is open to MCEA members.

8:00 – 8:15 *Welcome:* Tony Boles, Director of Schools
Introduction of New Teachers: Director's Office Staff
Introduction of Guests/Sponsors Shawn Carter

8:15 – 8:45 **OSHA**
Presenter: Casey Brawner, Countywide Nursing Supervisor
Place: MCHS Auditorium

Teachers will need to sign an attendance sheet prior to leaving the session in order to receive credit. *This session will be repeated again from 11:15-12:15 for those interested in working as a substitute.*

8:45 – 9:00 **BREAK**

9:00 – 10:30 *The Mayberry Method*
Presenter: Rik Roberts

The Mayberry Method is a very fun motivational speech designed to teach specific ways to increase your productivity. Examples from the Andy Griffith Show will be used throughout to help drive points home.

10:30 – 11:00 **Wrap up – To include a discussion about license renewal and PDPs.**

11:00-12:30 **LUNCH**

11:15 – 12:15 **Substitute OSHA and Orientation**

12:30 – 3:30 **CTE Staff Meeting**
For: CTE Teachers Only
Place: Room 304
Person in Charge: Kathy Cothron

All CTE teachers need to be present. Current state requirements will be outlined.

Non-CTE teachers will attend both of the consecutive sessions listed below to receive full credit.

12:30 – 2:30 *Suicide Prevention*

For: Teachers and Administrators PreK-12; Parents
Place: MCHS Auditorium
PIC/Presenters: Brenda Harper

Suicide continues to be an increasing reality for communities today. It is vital that all persons are made aware of the warning signs as well as their own personal and professional responsibilities in handling this situation. Attendance to this session will fulfill the annual, school-level responsibility of the state mandated 2 hours of training.

2:40 – 3:30 **ELL: How Do I Teach With Limited Communication**

For: Teachers and Administrators PreK-12; Parents
Place: MCHS Auditorium
PIC/Presenters: ELL personnel

Many teachers are apprehensive and unsure of what to do when there is a non-English speaking student in their classroom. This session will focus on methods and techniques to assist the classroom teacher and ultimately aid the student. In addition, the resources that are available through the ELL program will also be discussed.
