* No data are reported when fewer than 10 students were tested or when all students are in the same score category.

** Adding the percentages in Achievement Levels 3 – 5 may not result in the percentage reported under "Level 3 and above" due to rounding.

- Not Applicable.

Note: 2012 FCAT Writing data are provided in this database because the scoring standards were the same in 2012 as in 2013; however, caution should be used when comparing 2013 results to 2012 results as students had 60 minutes to take the test in 2013 and 45 minutes to take the test in 2012.
