

MAVERICK MONTHLY

An Update from the Head of School

Bryan Dendy
Head of School

Spring break has come and gone, and things are extremely busy at MA. Our spring sports are in full swing with baseball, track, and tennis keeping our athletes busy. Please visit our website and review all schedules and come support our students in these activities. Power 107 is broadcasting MA baseball games with the Voice of the Mavericks, Walter Patterson, delivering the action. Thanks to our many sponsors for making these broadcasts possible.

In other news, I would like to thank our board for their hard work in revising our school bylaws and for the changes that were made to improve Manchester. In addition, thanks to everyone that made our annual Green and Gold Event a success. The money raised will be used for academic and physical improvements. Thank you for your support of Manchester Academy and for allowing us to educate your children! Go Mavs!
