

MAVERICK MONTHLY

Letter from the Head of School

Bryan Dendy
Head of School

What a great start to the school year!

Our students came in eager to learn, and we have a dedicated and experienced staff of teachers that are willing to go above and beyond for our students. We are looking forward to a busy and successful school year with many exciting activities.

In elementary news, the book fair was a huge success. Thanks to everyone who visited and purchased books! Also, elementary students are busy trying to meet their AR goals. The last day to take AR tests for the nine weeks is October 5th.

Our secondary teachers have implemented ACT bell-ringers in their classrooms to better prepare our students for the

ACT and enhance our college preparatory curriculum.

Our athletic teams are competing hard in every sport, and we are extremely proud of their efforts.

We also are excited about our upcoming accreditation visit on October 15th. Our steering committee is working hard to collect data from our surveys and is also developing a plan to improve our school in all areas. If you are interested in hearing more about this process, please feel free to contact me or come by and see me.

Thank you for sending your children to Manchester. Our faculty and staff are dedicated to providing them the best education possible and making their experience at MA a positive one.
