Dr. Steve Chestnut, Superintendent

Internal Use Procedures for Admin Building

1. Contact Curriculum Generalist (CG).
2. CG will check availability of Admin Building with internal calendar.
3. If available, the CG will need the completed Room Request Form and will address air, lights, and any required technology equipment.
4. A School Dude request will be submitted to Maintenance and/or Technology.
5. The CG will then contact the Custodial Specialist (CS) to see if custodian or night security is available, if needed for use. If none are available, a building staff member will be assigned to open and close the building.
