Re: District Launches 2017-18 Recruitment Effort

Date: December 9, 2016

MUSD LAUNCHES RECRUITMENT EFFORT FOR SCHOOL YEAR 2017-2018

(Maricopa) On Friday December 9th, the Maricopa Unified School District officially began their recruitment efforts for the upcoming school year. As a result of the passage of the 2016 Override, the District has committed to hiring 50 new teachers and instructional staff members for the 2017-2018 school year. The District is asking for support from the community and encouraging all internal and external stakeholders to share the news with family, friends and professional acquaintances.

As part of this effort, the District will be hosting a Job Fair on Saturday January 28th at the District's Administrative Office Building located at 44150 West Maricopa/Casa Grande Highway in Maricopa from 10:00 am until 2:00 pm. Administrators and supervisors will be present to discuss opportunities and also to conduct interviews for our projected openings. Interested candidates should access the District's online application at <https://musd20.tedk12.com/hire/index.aspx> and complete the appropriate application prior to the Job Fair.

For more information about career opportunities with the Maricopa Unified School District please call 520.568.5100 or visit the District's website at www.maricopausd.org.
