*The more you read the more things you will know.  
The more that you learn, the more places you'll go.*

**United Way of Pinal County and the Success By 6 Initiative  
will be holding its 13<sup>th</sup> Annual Read to Kids Day on  
Thursday, November 6<sup>th</sup>, 2014.**

Every child loves to be read to, and when children are read to they develop a love for reading which builds a solid foundation for future success.

Read to Kids Day is an opportunity for you to invite members of the community into your classroom to volunteer to read to your children. **In return, your school will receive 1 new book for every volunteer reader that participates and every child in that class will receive an age appropriate book of their own to take home.** Our success in previous years has inspired us to expand the program, thereby expanding the number of children who will benefit from this wonderful opportunity. This program is now being offered to every Childcare Center, Head Start, Preschool and Kindergarten classroom.

The Success By 6 Initiative is working hard to ensure children enter school ready to learn. This activity raises awareness of our Initiative, educates the public as to the importance of reading to a child, and provides future volunteer opportunities in your classroom. We know this will be a very rewarding event for you and your children.

We would also like to thank you for your continued support of Read to Kids Day and all that you do to improve early childcare and literacy in Pinal County.
