

Marion County Board of Education

Monitoring: Review: Annually, in October	Descriptor Term: Student Transportation Management	Descriptor Code: 3.400	Issued Date: 04/24/01
		Rescinds: 3.400	Issued: 12/15/97

1 School buses shall be maintained and operated in accordance with state law and State Board Rules and
2 Regulations.¹

3
4 The school transportation program shall be monitored daily by the principals and the supervisor of
5 transportation and subjected to periodic evaluations by them as necessary. An overall evaluation shall be
6 conducted by the supervisor of transportation on or before November 1 and June 15 of each school year,
7 and a summary report of same submitted to the director of schools and the Board.

8
9 All buses and other vehicles owned and operated by the Board shall be given safety inspections by the
10 assigned driver and the transportation supervisor on a regular basis. The transportation supervisor shall
11 develop and maintain a safety inspection record which shall be filled out and signed by the individual who
12 conducts the inspection. In addition, all buses shall be available for regular state inspections. Any defects
13 noted by either the regular local or state inspection shall be remedied immediately.

14
15 All accidents, regardless of the damage involved, must be reported to the transportation supervisor, including
16 incidents in which any part of the bus rubs, scrapes or touches any other object or vehicle.
