## Upward bound program

Do you want to go to college after graduation? The Upward Bound Program helps freshman sophomores juniors and seniors prepare for college. They offer counseling, university campus tours, a monthly stipend for program participation, and monthly workshops on topics like TCI/ACT/SAT preparation, scholarships and other financial aid, filling out college applications, work study programs, and career advisement. They also offer a 6-week summer camp for Upward Bound participants on Ranger College campus, where you will get to live in the dorms, eat in the cafeteria, and take math, foreign language, English, and science classes. Upward Bound is sponsored by Ranger College and funded by the Department of Education. This is a great way to plan for your future, so if you are interested in learning more or would like to pick up an application, please contact Natalie Steele for more details.
