Martin Luther King Jr. was born on January 15, 1929. He was a Baptist minister and was the most important voice in the Civil Rights Movement. He is famous for his “I have a dream” Speech, which was his way of peaceably protesting segregation.

Also, he was the youngest ever to receive the Nobel Peace Prize for his impact on this movement. He was assassinated in Memphis, Tennessee on April 4, 1968. Now we celebrate his Birthday as a National holiday because of his impact on our civil rights.
