## History of Valentines Day

February has long been celebrated as a month of romance and that St. Valentine's Day as we know it today. Approximately 150 million Valentine's Day cards are exchanged annually, making Valentine's Day the second most popular card sending holiday after Christmas.

Valentine greetings were popular as far back as the Middle Ages, though written Valentines didn't begin to appear until after 1400. The oldest known Valentine still in existence today was a poem written in 1415 by Charles Duke of Orleans, to his wife while he was imprisoned.

## Elementary

Dakotah Wilkinson and Dalton Self

Well to some of the elementary Valentine's Day is not worth much to them ,but to some like Cooper Dail and Abigail Behler Valentine's Day means quite a bit. Well Cooper said that to him "Valentine's Day is about loving everybody and getting a Valentine's date." To young little Abigail Behler Valentine's Day " is spreading the love to everyone that is in need of it."

Ian Henderson is the son of Frank and Angie Henderson of May. He has two brothers and one sister: Jill, Ryan, and Zach) He was born in Brownwood, Texas on December 15, 1999. He has attended May ISD his entire school years. After graduation Ian plans to go straight in to the workforce.
