***iPad User Agreement***

The Meade County School District (MCSD) is providing and administering a plan for students and parents as a part of our “iWave: iLearn Initiative.” Enrollment in this program is required for students who wish to take their iPad home. Students who are not enrolled in the program will check their iPad in and out of school each day. This plan entails prices for damages that occur to the device. Although iPads will be assigned to all students, they are all the property of MCSD. MCSD reserves the right to collect and/or inspect your device at any time and delete any material or applications. Because the iPads belong to MCSD, users should have no expectation of privacy. Users must abide by the district’s acceptable use policy (08.323)—inside and outside of school hours.

- I DO** wish to participate in the Meade County School District's "Take Home" iPad 1:1 Initiative. I agree to the provisions outlined in the policy terms and understand that:
- Enrollment in this program is **REQUIRED** to take the device home.
  - The policy only covers the school issued device.
  - Liability is limited to the replacement/repair of the device; no additional liability is implied or assumed.
  - "Jailbreaking" the device voids all warranties and will result in paying for a replacement device.  
"Jailbreaking" is the act of hacking an operating system and removing manufacturer protections in an attempt to modify a device.
  - Devices must be in the provided case. Damage that occurs when the device is not housed in the given case is the full responsibility of the student/parent.
  - Syncing the device to any computer is not permitted.
  - Device must be brought to school fully charged each day.
  - After 5 absences in a semester (or less by recommendation of principal/DPP) student may become a day user until regular daily attendance is achieved.
  - The enrollment fee is non-refundable.

**\*\*Failure to comply with any of the above can result in loss of privileges at any time.**

- I DO NOT** wish to participate in the Meade County School District's iPad 1:1 "Take Home" Initiative. I understand that my student will still be issued a device for school use, but that it cannot leave school property. Damage to the iPad requiring repair is **STILL** the responsibility of my student/family.
