

## Resetting Password for TAC

Apscn.org > security > security resources > ADE Single Sign On > Forgot Password > Enter User ID > OK

The screenshot shows a light green rectangular form with a white border. At the top, it says "We have sent a 6-digit code to your email address" in bold blue text. Below that, in red text, it says "PLEASE DO NOT EXIT THIS PAGE UNTIL YOU ENTER USERNAME AND CODE". There are two input fields: the first is labeled "Username :" and the second is labeled "Enter the 6-digit code :". Below the second input field is a dark blue button with the word "Submit" in white text.

Check Your Email and get the 6-digit code and enter the code.

You will be presented with the change password screen.

Enter your new password twice

Make sure the password is successfully changed and that you did not receive an error message.
