

SUMMER READING FAQs (Frequently Asked Questions)

- DO I REALLY HAVE TO READ THIS STUFF?

Yes, you do. Depending on the class you're entering, it will be one or more major test grades for you when you return to school. It will also sharpen your reading comprehension skills and expose you to important works of literature. We also think you will find something enjoyable here in selections that have been chosen with an eye to interest as well as quality.

- WHERE CAN I GET THESE BOOKS?

Books-A-Million, the Meridian Public Library, Amazon.com, Books-A-Million.com, Barnes and Noble, etc. While we will notify Books-A-Million of our reading list so they will have the books in stock, there is no "correct" location to purchase these books. Get them from anywhere you can, including borrowing them from previous students.

- IS THERE A "CORRECT VERSION" OF THE BOOK?

In some cases, yes. Please check your class information sheet to be sure. If no specific edition is required, then you can use any edition, new or used. Most teachers specify that you make sure you do not get an abridged version of a work.

- OOPS! I HAVE ASSIGNMENTS, AND I LOST MY PROJECT SHEET! WHERE CAN I GET ANOTHER ONE?

Copies of the project sheets are available in the MHS office during its summer hours. Please make sure you know what class you are taking before you come to ask for your project sheet. Don't assume the office staff knows what course you are taking.

- WHAT IF I CAN'T AFFORD THESE BOOKS?

Please contact your child's counselor at the phone number on this brochure for more information about assistance with required summer reading.

- WHAT IF I DON'T KNOW WHAT CLASS I'M TAKING?

Please call your counselor at the general school switchboard number listed below and find out before purchasing books or getting project sheets.

- WHEN IS ALL THIS STUFF DUE?

There are different due dates for different grades. Please look at your grade for more details. AP English Lit and Comp has one assignment that must be sent via mail before school begins. A good recommendation is to have everything ready for the first day of school. That way, you will be sure to start the year off on the right foot.
