

## What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

### Effective Compacts:

- Focus on student achievement
- Describe how teachers will help students develop skills using high-quality instruction
- Share strategies that parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to become volunteers

## Jointly Developed

The parents, students and staff of MCES developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

**Parents are welcome to contribute comments at any time.**

## Building Partnerships

### Parent Resource Center

Activities in our parent resource center, located at the Central Office, offers monthly activities to assist parents in learning about their child's achievement.

## Working Together For Success

### What is Title I

Title I is a federal grant that assists students with that are the most at-risk not to make academic gains necessary to meet the state's challenging academic standards. MCES eligible to be a Schoolwide Title I School. As such, all students receive the benefit of Title I Services.

### Annual Title I Meeting for Parents

Title I requires that MCES have an annual meeting in order that parents have the opportunity to understand how Title I services are provided in the School. The meeting is announced through flyers, the school marquis, school and system website, and Notify Me.

### Family & Community Engagement

To ensure that parents have ongoing opportunities to be active participants in understanding about their student's achievement, parents are encouraged to:

- Watch for announcements for Parent Resource Center activities
- Become familiar with the school system's advertising process
- Engage in the system's efforts to build partnerships
- Become a stakeholder, be a representative for parents

## Working Together For Success

### At Home

- Have fun with math. Did you know that the Parent Resource Center can assist with checkout materials to explore math at home?
- Ask your student's teacher or academic coach about accessing platforms used at school through the internet.
- Go to your student's teacher webpage to access material anytime
- Read a variety of types of books together

### MCES Students

- Share knowledge
- Use classroom materials at home
- Use the school website
- Model appropriate behavior
