What is Family Engagement?

Family Engagement means the participation of parents and family members in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- (A) That parents play an integral role in assisting their child's learning.
- (B) That parents are encouraged to be actively involved in their child's education.
- (C) That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- (D) The carrying out of other activities, such as those described in Section 1116 of the ESSA.

About the Parent and Family Engagement Policy

In support of strengthening student academic achievement, Miller County Schools (MCS) has developed this parent and family engagement policy that establishes the district's expectations and objectives for meaningful family engagement and guides the strategies and resources that strengthen school and parent partnerships in the district's Title I schools. This plan will describe MCS's commitment to engage families in the education of their children and to build the capacity in its Title I schools to implement family engagement strategies and activities designed to achieve the district and student academic achievement goals.

When schools, families, and communities work together to support learning, children tend to do better in school, stay in school longer and enjoy

school more. Title I, Part A provides for substantive family engagement at every level of the program, such as in the development and implementation of the district and school plan, and in carrying out the district and school improvement provisions. Section 1116 of the Every Student Succeeds Act (ESSA) contains the primary Title I, Part A requirements for schools and school systems to involve parents and family members in their children's education. Consistent with Section 1116, MCS will work with its Title I schools to ensure that the required school-level parent and family engagement policies meet the requirements of Section 1116(b) and each include, as a component, a school-parent compact consistent with Section 1116(d) of the ESSA.

Jointly Developed

All parents were invited to participate and provide suggestions and ideas to improve this district parent and family engagement policy for the 2017-2018 school year. The Parent Engagement session to develop the policy was advertised on the district website, Notify Me, and through collaboration with Family Connections. During this meeting, parents also reviewed and discussed the Comprehensive LEA Improvement Plan (CLIP). The policy will be monitored and revised annually by the Family and Community Engagement Stakeholder group.

Upon final revision, the district parent and family engagement policy was incorporated into the CLIP which was submitted to the state. Parents are welcome to submit comments and feedback regarding the policy at any time on the school district website or by submitting written comments to your child's school. All feedback received by July was included with the policy for this school year.

The district parent and family engagement policy is posted on district website, distributed during the annual Title I meeting, and made available in the schools' parent resource center.

Strengthening Our School

During the year, MCS will be building capacity for its

Family & Community Engagement Program. Families and Communities will receive notifications and resources from MCS to partner with them to improve and strengthen family engagement. In addition, to frequent communication and school visits, MCS will hold monthly events in the schools, via the website, and through the Parent Resource Center.

Additionally, MCS will monitor the Family & Community Engagement Program through the schools' Improvement Plans.

Reservation of Funds

MCS reserve 1 percent from the total amount of Title I funds it receives in FY18 to carry out the parent and family engagement requirements listed in this policy and as described in Section 1116 of the ESSA. Furthermore, the ACSD will distribute 90 percent of the amount reserved to Title I schools to support their local-level family engagement programs and activities. The district will provide clear guidance and communication to assist each Title I school in developing an adequate family engagement budget that addresses their needs assessment and parent recommendations.

Our Goals for Family & Community Engagement

- Welcome All Families and Community Members
- Communicate Effectively
- Support Student Success
- Speak Up For Every Child
- Build Investments
- Provide meaningful strategies that assist parents with understanding about their student's achievement

Opportunities for Meaningful Parent Consultation

Input and suggestions from parents and family members are an essential component of the district and school improvement plans that are developed each year. All parents of students eligible to receive Title I services are invited opportunities described in this section to share their ideas and suggestions to help the district, schools, and students to reach our student academic achievement goals.

On Going for SY 2017-2018

How To Become A Parent/Family Community Engagement Stakeholder

On Going For SY 2017-2018

How To Navigate the MCS Website • How to Use The Notify Me Messaging System • How To Use The Parent Portal

- Activities that support improvement of statewide assessment scores with an emphasis in mathematics
- Build sustained partnerships
- Build capacity to improve discipline and attendance
- Strengthen collaboration teams to ensure effective communication
- Identify barriers to timely graduation
- Build support mechanisms for timely intervention for academic difficulties or access to school
- How Title I and other Federal Programs support the school.

Building Capacity

MCS will build the schools' and parents' capacity for strong family engagement, in order to ensure effective involvement of parents and family members and to support a partnership among the Title I schools, parents, and the community to improve student academic achievement through districtwide activities and programs

Of Parents – MCS will work as a district and through its Title I schools to provide assistance to parents in understanding state and district academic information connected to their student's learning and progress, as well as information regarding the Title I program. MCS will provide sessions for parents to gain knowledge about the challenging state academic standards, local academic assessments, as well as the required assessments for Georgia students including alternative forms of assessment. The dates and locations will be distributed in flyers and reminder cards, the district website, through Notify Me and Facebook.

MCS will also coordinate pages on the district and school websites that will contain resources and materials, including parent guides, study guides, practice assessments, to help parents work with their children at home. Copies of these materials will be made available at all Title I schools for those families who may have limited internet access, including copies languages other than English. To assist parents with understanding the online student information system and other digital educational resources MCS will partner with Title I schools to host informational sessions for parents. Dates and times for these workshops will be determined and announced through flyers and reminder cards, the district website, through Notify Me and Facebook.

The ACSD has established a districtwide Family and Community Stakeholder Group comprised of parent representatives from each Title I school to provide advice on all matters related to family engagement in Title I, Part A programs. Community leaders and business partners will be invited to serve on this council. Dates and times for these sessions will be determined and announced through flyers and reminder cards, the district website, through Notify Me and Facebook.

MCS will coordinate and integrate the district's family engagement programs with the local preschool program and other federal and state funded preschool programs in the district by inviting faculty and staff from those programs to attend planning meetings focused on family engagement activities. In addition, MCS will host regional intra-agency collaboration through its Family Connections Partnership. Dates and times for these sessions will be determined and announced through flyers and reminder cards, the district website, through Notify Me and Facebook.

Of School Staff – MCS will provide ongoing professional learning for its staff through Professional Learning Communities in order to learn and discuss strategies to increase family engagement, improve school-family communication, and build ties with parents and the community. These trainings will be redelivered to the faculty and staff of Title I schools. Embedded in the learning communities will be topics that support creating welcoming environments and improving two-way communication with families.

To ensure that information related to district, school, parent programs and activities is available to all parents, each Title I school is required to send home and post online information for parents and family members in an understandable language and uniform format. Through the school year, school staff will be trained on parent notifications and resources to be sent home in parents' native language, where applicable, and providing interpreters at parent events. Information posted on the district website will be translated to the extent practicable.

Parent and Family Engagement Evaluation

MCS will maintain an evaluation of the content and effectiveness of this parent and family engagement policy and the family engagement activities to improve the academic quality of the Title I schools through activity participation evaluations and surveys. Evaluation and surveys are provided during parent attendance in sessions and kept accessible through the district website. In addition to the annual survey, each Title I school will maintain a School Council to facilitate group discussions to discuss the needs parents of children eligible to receive Title I services to design strategies for more effective family engagement.

MCS will use the findings from the school forums and the survey results to design strategies to improve effective family engagement, to remove possible barriers to parent participation, and to revise its parent and family engagement policies.

Accessibility

In carrying out the parent and family engagement requirements established by Section 1116 of the ESSA, the district family engagement coordinator will communicate and collaborate with the Georgia Department of Education Office for Student Support Services to ensure full opportunities for participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children including providing information and school reports in a language parents can understand.

Adoption

This districtwide parent and family engagement policy has been developed jointly and agreed upon with parents and family members of children participating in Title I, Part A programs as evidenced by the collaboration of parents, school, and district personnel at the annual State of the District meeting.

This policy was adopted by the MCS on July 14, 2017 and will be in effect for the 2017-2018 academic school year. The school district will distribute this policy in multiple ways to all parents of participating Title I, Part A children on or before September 1, 2017.

Disclaimer: The use of the term **policy** is to denote Federal Compliance for Title IA and supporting Federal Programs. It is not connected to Miller County Board of Education policy.
