Dear Mayor Eric A. Steeber,

I am writing to congratulate Milltown on being named one of the *Best Suburbs to Raise a Family in New Jersey* and one of the *Safest Suburbs in America*. Milltown has made outstanding contributions to not only the 12th Congressional District, but also the state of New Jersey. I want to thank the town and all of its members for your enduring commitment to community, family, and the quality of life.

Since its establishment, Milltown has been recognized as a desirable hometown and a welcoming environment for all. I have seen firsthand the commitment to its residents by improving community services, increasing quality education opportunities for future generations and fostering a welcoming environment for new business and new families. The town and its residents' drive towards the betterment of the community as a whole is truly outstanding. That being said, I want to thank you for your continuing dedication and leadership for this community; it is immensely honorable and vital to our state and country.

I hope Milltown and all its residents take pride in this exceptional excellence. I am proud that the community continues to provide a place to live, learn, and succeed. Please accept my sincere congratulations on your accomplishment.

Congratulations and God bless.

Sincerely,

Bonnie Watson Coleman
