May 2016

Dear Parents/Guardians of Milltown Students in Grades 2-8,

The Milltown School District will conduct its tenth annual Bullying Prevention Student Survey in the upcoming weeks. This survey continues to be designed for Milltown Schools by an independent professional bullying prevention consulting service. The survey is done anonymously and will be administered online to all students in grades 2-8. Data collected from the survey assists in maintaining a positive school climate for learning at both Parkview and Joyce Kilmer.

An example of a blank survey will be posted on the district website under Information > Bullying Information. If you have reservations about the survey and do not wish for your child to participate, please fill out and return the opt out form below to Jennifer Smith in the Main Entrance by Friday, May 27th. All students will participate in the Bullying Prevention Student Survey unless an opt out form is received.

If you have any questions or concerns, please feel free to contact me at (732) 214-2370. Thank you for teaming with us to support your child's success at school.

Sincerely,

Eric Siegel
Assistant Principal

Bullying Prevention Student Survey Opt-Out Form
Please Return to Jennifer Smith in the Main Entrance

I request that my child **NOT PARTICIPATE** in the Student Survey.

Name of Child: _____ Homeroom: _____

Parent/Guardian Signature: _____
