Dear Parents and Guardians:

I am excited to share with you a program that is being offered at Joyce Kilmer School called the Green Team Club. Last year we had a club that focused on conservation and recycling practices and awareness. This year we will continue the Green Team's work from last year. Also, we will focus on conservation and recycling practices and awareness. Please encourage your child to attend all meetings. Further information will be distributed in the near future inviting family members to assist with planting and maintaining gardens. There will also be field trips planned to increase environmental awareness.

The Joyce Kilmer club will meet on Wednesdays from 3:00-4:00 in room 212. The club will be supervised by Mr. Matthew Eckert. Students interested in joining the club must return the permission slip below by Wednesday, September 27<sup>th</sup> for the children to be able to participate. Enrollment will be granted on a first-come first-served basis.

Please contact Mr. Eckert at [meckert@milltownps.org](mailto:meckert@milltownps.org) if you have any questions.

Sincerely,

Mr. Eckert
