

Memo to Parents of Grades 1-3 & Panda Academy

October 2017

From: Eric Siegel, Principal, Parkview School
Subject: Halloween Parade

Parkview will be the site of a Halloween Parade for all of our Pre-K thru 3rd grade students. This year we will empty the parking lot and children will parade through the Senior Citizen's building and around the perimeter of the lot so that all of the children can see all of the other children. We have made arrangements for the date of the parade to be on Tuesday, October 31st at approximately 1:30 p.m. in the afternoon. Children will be dismissed to go home for lunch at 11:43 a.m. to change into their costume and return to school at 1:15 p.m. The children will line up as they do in the morning. Children who are unable to go home in the middle of the day will be able to remain in school to have lunch and change into costumes. We suggest that you pack a lunch for your child that day. Bagel bags and cold sandwiches will also be available to purchase. **No hot lunches will be served.** If it rains, we will move the parade into the Gym.

In accordance with school safety, children should not carry any kind of weapon as part of their costume. Also, no masks will be allowed.

I will be asking all of the staff to park in the Borough Parking lot and the parents to do the same. Our parking lot will be roped off by 12:00 noon and we won't be able to allow anyone in.

Following the parade, the children will return to their classrooms for their traditional parties. Please keep in mind the changes in the regulations for child nutrition. Unfortunately, only the homeroom parents can stay for the parties. Dismissal will be at regular time.

AM Pre-School & AM Kindergarten will have their Halloween Party in the morning with their own class. The children may return at about 1:15p.m. to march in the parade if they wish, but will then return home at the conclusion of the parade.

PLEASE RETURN TO THE MAIN OFFICE

If your child will be staying in school for lunch on Tuesday, October 31st, please return the following to the main office at Parkview School so we can plan accordingly.

Child's Name

Homeroom Teacher
