**ENHANCING
EDUCATIONAL
EXCELLENCE
SINCE 2000**

WHO ARE WE?

The Milltown Education Foundation is a non-profit organization formed in response to a national challenge to keep our students competitive in an ever changing and complex world.

The Foundation is composed of local residents who raise funds to provide educational opportunities that otherwise would not be available through the Milltown school district's operating budget. The Foundation is governed by a Board of Trustees who serve without compensation and who work collaboratively with the Milltown Board of Education and the Milltown PTA.
