PARKVIEW EXCELLENCE

Dear Parkview Families,

As the school year winds down, it's important to take a moment to reflect on your child's academic accomplishments and their social and emotional growth they experienced this school year. Our Parkview community continues to strive for excellence to ensure your child's education was met with rigor and excitement. As the saying goes, *It Takes a Village To Raise a Child*, your continued support combined with our academic dedication has proven to be successful. With that being said, I'd like to take a moment to thank all of the families who partnered with us this year to support our children.

I hope everyone has a relaxing and enjoyable summer. Be sure to take some time to read with your child every day!

Sincerely,
Mr. Siegel

Nurse's Corner...

Mrs. Pagliuco

Every year at Parkview, we hold a fundraiser to support a great cause in honor of Parkview students and their families. This spring, we are partnering with the American Heart Association and holding Jump Rope for Hearts and Hoops for Hearts in our gym classes (May 14-25).

If you have not already done so, please donate online at www.heart.org/jump or send your cash or checks into school ASAP. Thank you so much for your support!

I would like to thank all of you for two very successful food drives. Parkview students donated 1,800 pounds of food this school year! We ranked #18 in Middlesex County of all schools participating in the MCFOODS program this year. Thank you for your generosity!

And finally, the end of the year is almost upon us! If you have any clothing or medication in the nurse's office, please remember to stop by to pick it up. All medication must be signed for and sent home with an adult. If you cannot pick up your child's medication by the last day of school, please make other arrangements with me or arrange for a friend to pick it up. Also, please remember that all medication forms and asthma/allergy action plans need to be updated annually. These forms need to be completed and signed by you and your doctor and returned at the start of the school year in September.

Thank you for your cooperation and have a safe and happy summer!

The warmer weather is here!

Please make sure to have your child dress appropriately for school.

-Dresses and tops with "spaghetti" straps are not permitted. Tank tops must have straps a minimum of 2" wide and fall close to the neckline and directly below the underarm to insure that the torso and undergarments are not exposed.

-No halter tops, strapless, tube tops, off-the-shoulder, low cut, or crop tops. Midriff, back and chest cannot be exposed.

-Shorts and skirts must be a minimum of mid-thigh length.

-No bare feet, flip-flops, beach footwear, slippers, Heelys (w/wheels) or any other potentially dangerous footwear. Sandals are permitted only when straps secure the shoe to the back of the foot.
