

PANDA PRESS

APRIL – MAY 2018

PARKVIEW

EXCELLENCE

Dear Parkview Families,

As we welcome Spring and the beautiful weather, please keep in mind how important it is to maintain academic focus and finish the school year strong. As the staff and students have been diligently working through the third marking period, academics are still our top priority. Please make sure that your children get a good night's sleep, eat a nutritious breakfast, and continue their focus with strong study habits. With that in mind, enjoy this special time of year being outside with family and friends.

Mr. Siegel

HAPPY
SPRING

Nurse's Corner...

Mrs. Pagliuco

Thank you once again for your generosity during our 100 Days of School food drive for the Middlesex County Food Bank. With your support, we were able to donate over 800 items of canned and boxed goods which was twice as much as we had hoped for! With your support, we were able to restock the shelves after the long cold winter!

If you have a child registering for preschool, kindergarten, or first grade, please be sure to send in any missing parts of your registration packet as soon as possible. All newly enrolled children need a current physical exam (dated no earlier than September 1, 2017) and an up to date immunization record. Children with asthma, life threatening allergies, and those who need medication during school hours have additional paperwork that needs to be completed by your physician, so please try to return all paperwork before the school year ends in June. If you have any questions, please contact me at [732-214-2362](tel:732-214-2362). I will be here July 2nd-26th. Thank you for your cooperation!

Also, if you have any gently used leggings or elastic waist pants that your child has outgrown please consider donating them to the health office. Thank you!

Third Graders- Countdown to Fun

With Spring right around the corner, third grade is filled with anticipation for the warmer weather and the fun activities that are in store! Mark your calendars on Friday, May 4th for our annual VIP Day! The students have been working very hard writing an essay about a special person. On that day we'll have a small concert for our VIP's and take some time to share all of the wonderful things we've been writing. Another event that the students are extremely excited for is our class trip to the Statue of Liberty! On Wednesday, June 6th we'll set sail for a tour and scavenger hunt of Lady Liberty. This is a trip of a lifetime that you don't want to miss. More detailed information about both events will follow! We look forward to making special memories with your children!
