Parents/Guardians,

We are excited to share that the Panda Learning Academy will continue for the 2018/2019 academic year. This tuition-based program will address the need expressed by our parents to offer a full day learning experience for our Kindergarten age students. The Panda Learning Academy will afford students enrolled in the Parkview half-day Kindergarten program an opportunity to remain at Parkview for a full day. The Academy will offer both AM and PM sessions in order to accommodate each half-day Kindergarten session.

The Academy will be based on an educational model that aligns to the Parkview Kindergarten standards and include activities that are developmentally engaging and enriching. Our Academy instructor will be a certified teacher employed by Milltown Public Schools. To bridge the timespan between the Academy session and the Parkview Kindergarten session, children will have a special lunch period in the cafeteria with an assigned lunch aide. Students will also have a scheduled recess and rest time in between sessions.

Please see details below regarding registration and tuition. Registration for the Panda Learning Academy will be on a first come, first serve basis. Opportunities to register and ask questions will be offered at the Parkview Kindergarten registration, Kindergarten parent information session, and Kindergarten orientation.

Yours truly,

Mr. Eric Siegel, Principal
