THE PLAYERS

- **BULLIES** - Individuals who bully other people.
- **TARGETS** - The ones who are continually the target of a bully.
- **BYSTANDERS** - All others who observe the actions of the bully.

KNOW THE DIFFERENCE BETWEEN RATTING AND REPORTING

- **RATTING**- Occurs when a student tells about an inappropriate act with the idea of getting another student into trouble with the administration.
- **REPORTING**- Happens when a student tells to protect the safety of another student.

60% of Bullies will have a criminal record by the age of 24.

A study spanning 35 years by psychologist E. Eron at the University of Michigan found that children who were named by their school mates, at age eight, as the bullies of the school were often bullies throughout their lives.

WHAT HAPPENS TO BULLIES

- It becomes a habit as they get older.
- Lose their popularity as they get older and are eventually disliked by most students.
- By high school, school yard bullying becomes rare, but what takes place is more serious.
- They bully their mates, their children and possibly their underlings in their place of business.
- Court convictions - More alcoholism.
- More antisocial personality disorders.
- Use more mental health services.

A BULLY'S PERSONALITY TRAITS:

- Greater than average aggressive behavior patterns.
- No sense of remorse for hurting another child.
- A refusal to accept responsibility for his/her behavior.
- The desire to dominate peers.
- The need to feel in control to win.
- Get pleasure from inflicting injury and suffering on others.
- Driven by jealousy and envy.
- Resort to psychological and physical violence to get their way.
- Inadequate people who cannot interact in a mature manner.
- Form alliances with other people to keep their control.
- Insensitive.

PARENT(S):

- Support their child's aggressive behavior.
- Often bully their child.

CHILDREN WHO ARE REPEATEDLY TARGETED OFTEN SEE SUICIDE AS THEIR ONLY ESCAPE.

EMOTIONAL SCARS FROM BULLYING CAN OFTEN LAST A LIFETIME.
