William G. Veit
Principal

September 19, 2017

Dear Parents and Guardians:

I am excited to share with you a program that is being offered at Joyce Kilmer School called the STEM Club. This club is for students in grades 6-8. In this club, we will be using Science, Technology, Engineering, and Math. There will be design challenges and cooperative projects that the students will take part in. Please encourage your child to attend all meetings.

PARENTS: If you or anyone you know is associated with a STEM oriented company or career and would like to talk to the students about it at our club, please let me know! I would love to have STEM presentations to kids during one of our sessions!

The Joyce Kilmer club will meet on Thursdays from 3:00-4:00 in room 212. The club will be supervised by Mr. Matthew Eckert. Students interested in joining the club must return the permission slip below by Thursday, October 5th for the children to be able to participate. Enrollment will be granted on a first-come first-served basis.

Please contact Mr. Eckert at meckert@milltownps.org if you have any questions.

Sincerely,

Mr. Eckert

Joyce Kilmer School
STEM Club Permission Slip

Please return permission slip in an envelope marked "STEM Club" to Mr. Eckert at JK School.

I give my child _____ permission to participate in the Joyce Kilmer STEM Club. I understand that the club will be held at Joyce Kilmer School from 3:00-4:00 pm beginning on Thursday, October 5th.
