Phone number where Parent/Guardian can be reached between 3:00-4:00 P.M. _____

I give my child permission to play volleyball after school at Joyce Kilmer School. I know the days that my child plays volleyball and that I must pick up my child at 4:00 P.M. If it is not possible for me to do so, then it is my responsibility to make arrangements for another parent to pick up my child or I will let Mr. Barton know in writing that my child may walk home.
