[Public Act 097-0609](#)

[Public Act 097-0609 requires the following of employers participating in the Illinois Municipal Retirement Fund:](#)

Firstly, within six business days after an employer participating in the IMRF (Illinois Municipal Retirement Fund) approves a budget, that employer must post on its website the total compensation for each employee having a total compensation# of \$75,000 or more per year. If the employer does not wish to post this information on his website, it may post the information at the principal office of the employer instead; however, the employer must post directions on the website on how to find that information.

Secondly, at least six days before an employer participating in the IMRF approves an employee's total compensation that is \$150,000 or more per year, the employer must post the compensation information for this employee on his website. If the employer does not wish to post this information on his website, it may post the information at the principal office of the employer instead; however, the employer must post directions on the website on how to find that information.

This matter will be considered by the Board of Education at its May 15, 2019 regularly scheduled meeting.

The proposed contract will be effective from July 1, 2019 through June 30, 2020.
