Re: Mokena Elementary School
11244 Willow Crest Lane
Asbestos Abatement

Dear Parents, Faculty and Staff:

This letter is to notify you the abatement of the boiler room is scheduled to commence at Mokena Elementary School on approximately July 11, 2016 and will continue until approximately July 20, 2016. This project will be for the removal of asbestos containing boiler insulation in the boiler room.

This project will be completed by Illinois Department of Public Health (IDPH) licensed workers trained and accredited to perform this work in Illinois Public Schools. In addition, this project shall be monitored by an independent project manager that has been hired separately from the contractor.

If you have any questions regarding this or require any additional information, please contact me at the district office (708) 342-4933

Sincerely,

Joe Sierra
Director of Buildings and Grounds
