

ADVERTISEMENT FOR BIDS
AG-SCIENCE EDUCATION CENTER

The Monroe County Board of Education is seeking bids from qualified contractors and vendors for the construction of an Agricultural-Science Education Center for the school system. Sealed proposals from Contractors will be received by The Monroe County Board of Education, Owner, at 25 Brooklyn Avenue, Forsyth, Ga., in the Conference Room, **until 2:00 p.m. on Friday, May 18**. A statement of the bidder's qualifications is required with each proposal. At the time and place noted above, the proposals will be publicly opened and read. Bids/proposals should be clearly marked with the project name (**Monroe County Ag-Science Education Center**) clearly on the front of the package. The Owner reserves the right to reject any or all bids, to waive technicalities and informalities, to retain discretion in adoption of alternates, and to re-advertise as necessary. Bidding documents may be examined at the Monroe County Board of Education office, 25 Brooklyn Avenue, Forsyth, GA., may be obtained by visiting the BOE office, or may be received by contacting Todd Rivers at 478-952-0032. Documents will be sent electronically, in .pdf format, at no charge. Bidders wishing to visit the site may schedule a time to do so by contacting Mr. Todd Rivers, Project Coordinator, at 478-952-0032.
