

Dr. John Schuenemeyer – Board Director

Dr. John Schuenemeyer, director for District B, is president of Southwest Statistical Consulting, LLC. He holds a bachelor's and master's degree in applied mathematics from the University of Colorado and a PhD in statistics from the University of Georgia. Dr. Schuenemeyer is a Professor Emeritus of Statistics, Geography, and Geology at the University of Delaware, where he served as a faculty member in the Department of Mathematical Sciences from 1976-1998. He is an elected fellow of the American Statistical Association and an elected member of the International Statistical Institute.

His professional interests include applications of statistics to earth, environmental science and energy modeling. He has also developed statistical applications in R-code, a computer language, for use in middle and high school math and science classes.

He has been as a consultant to many organizations, authored over 100 research publications, and given numerous invited talks and workshops throughout the world. He has served in leadership roles in many professional and non-profit organizations and has been on the Cortez-Montezuma School Board for eight years, including four years as president. He also serves on the San Juan BOCES board.
