

Lance McDaniel - Board Director

My family moved to Cortez in January, 1960. I attended Downey Elementary, Cortez Junior High School, and graduated M-CHS in 1974.

I've been a proponent of public education as long as I can remember. I come from a long line of public school teachers and employees. After a career managing a trucking company in Phoenix, Arizona, I retired and returned to Cortez.

I spend my time volunteering for Renew, the local agency supporting victims of domestic abuse and sexual assault. I'm a member of the City of Cortez planning and zoning board, and was recently appointed to fill a vacancy on the District RE-1 school board.
