Date: \_\_\_\_\_

**Word Reading**

**Directions:** Place the "Word Reading Student Copy" probe in front of the student and say, **"Please read from this list of words. Read across the page and then on to the next row."** Demonstrate by sweeping your finger from left to right across the first two rows of words. Start timing when the student begins reading. Mark a bracket ] after the last word read. If a student self corrects, write S.C. above the word and count as correct. If they say an incorrect word, mark a slash through the word, and count as incorrect. If they hesitate more than 3 seconds, supply the word and count as incorrect. If a student skips a word, circle the word and count it as incorrect.

**Note: This is a 60 second timed test.**
