

# WIN "A" Scholarship!

## Bring in your report card! Every "A" earned qualifies you for a chance to win a scholarship!

Just bring in your report card to register. Each "A" earned allows you a separate chance to enter a drawing to win a \$1,000 scholarship. The more "A's" you earn, the better your odds of winning! The drawings will be held, and the winners notified at the end of the current school year. The Citizens Bank will award a total of nine \$1,000 scholarships. Eligibility applies to high school juniors and seniors.

**So study hard. You make each day count. We'll make each "A" count!**
