

Neshoba County School District
Impact Aid Information/Instruction Sheet

Dear Parents,

Thank you for taking the time to complete the attached form for each child you have attending Neshoba County Schools. Our schools have an opportunity to apply each year for the Federal Impact Aid Grant. This grant opportunity is made available to public schools that have students who live on federal properties or Trust/Tribal Leased land within the school district or whose parents work on federal properties or Trust/Tribal Leased land or are currently on **ACTIVE DUTY (deployed)** in the military services. Below are some helpful instructions on completing this year's survey form which has been updated by the Impact Aid Program. Again, thank you for your continued support of our schools.

Sincerely,

Dr. Lundy Brantley
Superintendent of Education
