

RE: Student Injuries and Insurance
2017-2018

Dear Parent:

The Nevada City School District **does not** provide medical insurance coverage for school accidents. This means that you are responsible for the medical bills if your child gets hurt during school activities. The accompanying student accident/health insurance plans are offered to help you pay those bills.

Many coverage options are available. The Student Health Care and High Option Full Time (24-Hour) Accident Plans are especially recommended for those students with no other insurance because they provide the most help when injuries occur. Student Health Care covers illness as well as injury, 24 hours a day. **We strongly recommend the high option plans for students participating in interscholastic sports.**

If your child does have other health coverage, student insurance may also be used to help pay those eligible charges not covered by other insurance (i.e. deductibles and co-payments). Also, the student insurance plans allow you to take your child to any doctor or hospital you choose.

Please read your brochure carefully. If you have any questions, please call the plan administrator, Myers-Stevens & Toohy & Co., Inc. at (800) 827-4695 or (949) 348-0656. Bilingual representatives are available for parents who need assistance in Spanish.
