12	Zoecon / Wellmark International	2724-351

You can find more information regarding these pesticides and pesticide use reduction at the Department of Pesticide Regulation's website at <http://www.cdpr.ca.gov/schoolipm/>

We will supply notice about individual pesticide applications with our student at least 72 hours before application of planned pesticide use, per Education Code 17612, unless an emergency condition exists (*Ed Code 17609©*) defines "Emergency conditions" as any circumstance in which the school district designee deems that the immediate use of a pesticide is necessary to protect the health and safety of pupils, staff or other persons, or the school site). Nevada City School District's Integrated Pest Management Plan (IPM) can be located at <http://www.ncsd.k12.ca.us> or by contacting Todd Pratt, Director of Maintenance at tpratt@ncsd.k12.ca.us
