The Common Application

Discover the common app advantage at commonapp.org. It is never too early for students to prepare for college. The Common App website is an excellent resource hub. There is content to support students and parents during all phases of the college admission process. Look for tools, tips, and information about college planning, paying for college and the application process. If you need help with your college essay, look for the essay prompts within the common app site.

Apprenticeship Opportunities

The Heat and Frost Insulators and Allied Workers Local #2 and the Western PA Construction Occupation Laborers' Apprenticeship Programs are taking applications. These are just two of the apprenticeship opportunities that are available to graduates. Additional information is available in the Guidance Office.
