Slippery Rock University—New Program

Physical Activity and Fitness Management (PAFM) is a non-teaching major designed to prepare professionals to teach, lead, and manage physical activity and fitness programs in community and commercial settings. Graduates of the PAFM program will be employed in a wide variety of settings including, but not limited to: Fitness Centers, Aquatic Facilities, Beach and Waterfront Programming, Youth camps and Adventure Programs, Adapted physical activity programs and youth sports programs. See the counseling department for more details.

Financial Aid and College Planning Night at NBHS

Senior students and their parents are invited to join the Guidance Counselors here at New Brighton High School for FAFSA Completion Night on Thursday, October 11, 2018, beginning at 5:30 p.m in the High School Library. A representative from the Pennsylvania Higher Education Assistance Agency will be here to provide individual assistance with the completion of the application. Please RSVP to the Counseling Department by October 1st.

Free Local SAT & ACT Prep & Practice Tests

Did you know you can access this information right from your own home?

Beaver County www.beaverlibraries.org

Go to Resources/Learning Express/College Prep Center. They offer test prep, practice tests, and ebooks for ACT, SAT, PSAT and AP Exams plus a variety of other help.

Penn State is also offering SAT Prep Course. Oct. 13th - Nov. 17th. <http://beaver.psu.edu/sat>

Free online PSAT cram Sessions

Kaplan Test Prep has online PSAT Cram Sessions to help students prepare for the upcoming new PSAT. Sessions will be offered from September 15th through October 20th. See how the New PSAT relates to the New SAT and why that matters. To sign up, please visit kaptest.com

Penn State Columbus Day Application Workshop

Penn State Beaver is holding an application workshop on Monday, October 8th from 9:00 AM to 6:00 PM. Complete your application that day and the \$65 application fee will be waived.

You may even get an admission decision on the spot if you bring your official high school transcript. Campus tours will be available throughout the day. <http://news.psu.edu/event/474619/2017/10/09/columbus-day-application-workshop>

Virtual College Fair

PA students are able to attend a free virtual college fair. Register at:

www.collegefairsonline.com, then visit the fair anytime to get information from colleges. Live chat sessions with college representatives will be available.

Beaver County Career & Technical Center Open House

The Beaver County CTC is holding Open House on Wednesday, October 18, 2018 from 6:00 to 8:00 PM. Visit the website: www.bcctc.org or contact the NBHS Guidance Office for more information.

The Pennsylvania National Guard

Guard Experience Night is taking place on Thursday, October 25th from 5-7pm. Learn about 100% tuition for state schools, Montgomery GI Bill/Kicker, Minuteman scholarship and \$20,000 enlistment bonus. To register contact Sgt. Chris Vesey at 724-996-5042 or Christopher.r.vesey.mil@mail.mil

Employment Opportunities with PennDOT

The Pennsylvania Department of Transportation would like to inform students about several entry-level positions that are ideal for a student's first step into the professional workforce. PennDOT is looking for graduating high school students who have an interest in working the clerical, trades, labor, and tourism positions. In addition, PennDOT needs individuals for the Winter Maintenance Program that runs from October through March and could lead to full-time employment. For more information, or to apply, please visit www.employment.pa.gov and select the "Non-Civil Service" or "PennDOT Winter Maintenance Program" headings or telephone Brenda Davies, Classification and Placement Division, at 717-787-5710.

First Energy's Power System Institute

This two-year college program combines academics and hands-on training to prepare students for a career in the electric utility industry. Kent State University at Trumbull is offering an Associate of Technical Studies degree in Electric Utility Technology for those students interested in a career as a line worker. First Energy pays tuition, required books and lab fees for qualified students who are accepted into the Power Systems Institute. An informational Session will be held at Kent State at Trumbull on Saturday, Oct. 20 from 10:00 AM to noon. For more information and to register, visit <https://www.kent.edu/trumbull/electrical-utility-technology> or call Alison Hoskinson at 330-675-8966.
