Dr. Kerry Parker  
Superintendent of Schools

March 12, 2020

Dear New Milford Public Schools Families and Staff,

After consultation with the Connecticut State Health Director, the Commissioner of Education, and Superintendents, New Milford Public Schools will be closed until further notice out of an abundance of caution. We have no known exposure in our district at this time. I will continue to send you information as I have it. Our website will provide students with links and recommendations to online learning websites for those who are interested in maintaining skills during our closure. No NMPS employees should report to work.

We wish you all good health during this challenging time!

A handwritten signature in blue ink, which appears to read "Kerry Parker".
