Greetings NMPS Family!

We hope this email finds you well. This week we are excited to share two new developments of our Distance Learning Plan: the **Distance Learning Grading Plan** and the **Distance Learning Portal**.

The **Distance Learning Grading Plan** has three sections; one for our elementary and intermediate schools, one for the middle school, and one for the high school. Please contact the school principal if you need additional information. [Distance Learning Grading Plan](#).

The **Distance Learning Portal** is a Google Site we created to serve as a hub for parents, students, and staff. The portal has links to helpful information, videos, webinars, resources, supports, and other items to help you during our distance learning. We hope you find this [Distance Learning Portal](#) useful. You can also find the link on the homepage of the NMPS website.

We appreciate your continued support and will be sending information very soon related to graduation, student access to supplies left at school, summer school, and so much more!

Thinking of you all and wishing you good health! Happy Mother's Day to our NMPS moms.
