

**USE OF TECHNOLOGY RESOURCES STUDENT CONSENT FORM**

The district strongly believes in the educational value of technology resources and recognizes their potential to support curriculum and student learning by facilitating resource sharing, innovation and communication. Therefore, the district is pleased to offer our students access to district technology resources, including its computers, network, Internet access, e-mail and other technology, to further the educational experience of our students.

Parents/Legal guardians and students are advised that some materials accessible via the Internet may contain items that are illegal, defamatory, inaccurate or potentially offensive to some people. While the district strives to ensure that its students using its technology resources are not exposed to information that is harmful to minors or otherwise inappropriate for the educational setting, the district cannot guarantee that filtering software and reasonable supervision will, in all instances, successfully prevent access to inappropriate materials. Therefore, to have access to the Internet and e-mail, sources of information over which the district has limited control, the district requires parental consent and the student user's acknowledgment that he/she will comply with school and district policies, rules and procedures while using district technology resources.

Parents/Legal guardians and student users are advised to read carefully policy IJNDB and administrative rule IJNDB-R, Use of District Information Technology Resources. Student users must be familiar with and comply with these documents. Noncompliance may result in discipline, a loss of the privilege of using the district's technology resources and other consequences, including the involvement of law enforcement.

**Student Internet/computer use agreement**

I understand that the district may provide me with access to e-mail and the Internet, as well as other technology resources, and that this access is provided to me only for educational purposes.

I agree that I will not utilize district technology resources without permission from the responsible teacher or other district personnel. I understand that my computer use is not private and that my teacher and others may be able to access and view files I store on district computers and servers. I also understand that the district may monitor my activity on the computer system.

I understand that I may not disclose personal information about myself, such as my home address or telephone number, while using district technology resources.

I understand that I have no right to use the district's technology resources. I am only given a limited privilege to use these resources, and as a condition of such use, agree to abide by policy IJNDB, administrative rule IJNDB-R, and other school or district instructions with respect to the use of these resources. I understand that my failure to do so may result in disciplinary action, a loss of computer access privileges and other consequences.

**Parent/Legal guardian PED/Internet use agreement**

As the parent/legal guardian of this student, I have read the Internet/computer and PED agreements. I understand that these privileges are designed for educational purposes.

I understand the School District of Newberry County has taken precautions to prevent controversial Internet material. However, I also recognize that it is impossible to restrict access to all controversial materials and will not hold the the district responsible for controversial materials accessed on school grounds.

I hereby give permission to my child to access the Internet and to use a PED on school grounds.
