

Addendum 10-5-11

ALA IP cameras

The School District of Newberry is accepting proposals for IP cameras at the Accelerated Learning Academy. This is an addendum to that RFP.

Addendum #1:

All cabling is to be in EMT tubing with pull boxes and pull strings left in place on completion of installation.

Addendum #2:

Installation of 1 additional outside IP camera for total of 3 exterior cameras.

Addendum #3:

Cameras are to be similar to Axis P3304 and Axis P1344E or better.
